SUBJECT: **QUARTERLY REPORT ON CalWORKs HOUSING LOCATORS
PROGRAM FOR THE PERIOD OF SEPTEMBER TO NOVEMBER 2006
(BOARD ORDER #32 – JULY 25, 2006)**

This is to provide you with the first quarterly report on the CalWORKs Housing Locators Program for the period of September to November 2006. The Housing Locators Program was implemented on September 5, 2006. With your approval, DPSS contracted with two agencies, Del Richardson & Associates (DRA) and Weingart Center Access (WCA), to assist homeless CalWORKs Welfare-to-Work families in finding and securing permanent affordable housing.

The attached report is broken-out into two parts: the first page provides the referral and placement data, and the second page provides the cities and zip codes where permanent housing was found for these families. Since the inception of the Housing Locators Program on September 5, a total of 26 families found and secured permanent housing in Los Angeles County.

We will provide you with our next report at the end of January 2007, for the period of September 2006 through December 2006. Following that, the next quarterly Housing Locator report will be provided to you at the end of April 2007, for the period of January through March 2007, and continuing quarterly thereafter.
